What is BALOO?

BALOO training is your gateway for the Scouts to enjoy the benefits of outdoor pack activities. BALOO is an over-night training event, presented by the District, that introduces Cub Scout leaders *and parents* to the skills needed to plan and conduct Pack outdoor activities, particularly Pack camping.

Who Should Attend?

New Pack chartered organization personnel, Cubmasters, Assistant Cubmasters, Pack Committee Members, Commissioners, and other adults involved with Pack camping should attend.

NEW Online Component:

The online component must be completed prior to the practical component. The online training contains introductory and basic information that will be built upon during the practical training. Information on how to complete the online training will be sent to you once you register on Camp-Master (see link above).
